DEDICATION

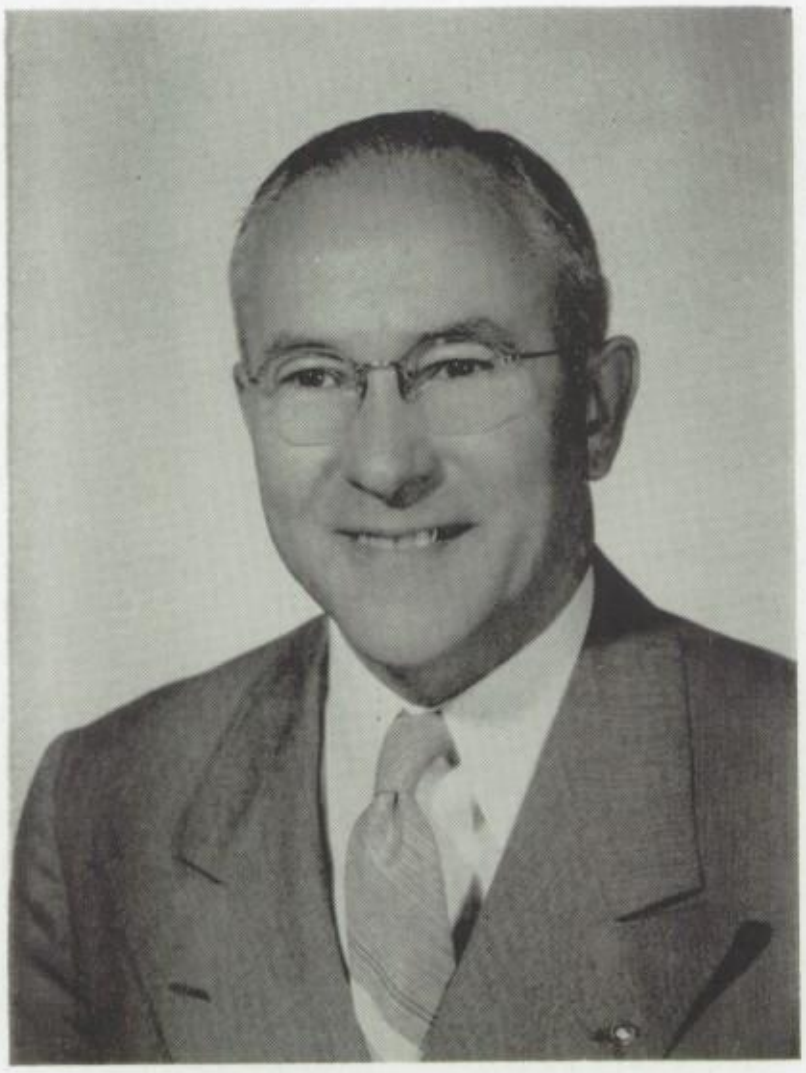
"The youth of today is the hope of tomorrow." This statement presents a stirring challenge to youth. It means that we shall be the mothers and fathers, the teachers and ministers, and the businessmen and factory workers of tomorrow. It means that all the responsibilities that our parents hold today will be resting on our shoulders, tomorrow.

In order to adequately meet this challenge, youth must have the opportunity to develop mentally, spiritually, and physically.

Such growth is afforded through activities which permit us to explore interests, develop talents, and grow in spiritual stature. For these purposes youth organizations exist.

Aware of the challenge, and conscious of our opportunities, we dedicate the 1954 Swirl to YOUTH AND YOUTH ORGANIZATIONS. May each serve the other to the advantage of mankind.

ADMINISTRATION



MR. D. C. LEMMON
Superintendent of Schools

Mrs. Rosalia M. Caputo
Secretary to Superintendent

As we, the Dover High School seniors of 1954, project ourselves into the future, we realize how much the opportunities we have had at Dover High will enable us to meet the problems and situations we encounter in life. We know, too, that the faculty and administration have been a major factor in helping us to see the need for a good education and that they have provided us the means for acquiring this education. They have helped us to see the values of good sportsmanship, to develop a sense of responsibility, and to become dependable, useful citizens as we go Out of This World, into the world of tomorrow, where we will take our places in the community.

CAROL MUMAW, because of her willingness to serve and her leadership ability, was chosen as the representative senior girl. Carol has been outstanding in sports, in speech and in many other school activities. At the end of her junior year Carol represented her class at Buckeye Girls' State. Carol serves as the editor of the Crimsonian, is president of the Leaders' Club, president of the Future Nurses Organization and is a willing worker in other school groups.

REPRESENTATIVE SENIORS

WILLARD HARSTINE has proved very capable in all of the various school activities in which he has taken part. As president of the senior class, he has shown his ability as a leader. Willard has been outstanding in his work in the Band and in the French Club. Acting as organist for the Hi-Y, vice-president of the N.F.L. and co-business manager of the annual staff have taken a lot of time and hard work but have proved his willingness to cooperate. These are only a few of the reasons Willard was chosen as the representative senior boy.

We, the class of 1954, would like to extend to Willard and Carol a wish for good luck in their future years, knowing that they will be representative in all they do.

MUSIC SPOTLIGHT

Alex, a familiar figure in our halls, competently fills the position of Music Supervisor. Along with this, he directs the three school choirs, gives private lessons, and helps the band and orchestra. As many of you know, he has received many awards due to his outstanding ability. This past year, Alex was the honored guest in the band drill "This Is Your Life."

Our popular orchestra director, Mr. Young, has been with us for seven years. During these years he has built a fine junior and high school orchestra. In addition to this, he gives private lessons, plays cello in the Canton Symphony and plays bass drum in the Dover Concert Band.

Mr. Clark, the new band director, has proven his ability by building a fine marching and concert band. Included in his job is the directing of the Junior Band and giving lessons. Excelling on the tenor sax, he is a member of the Dover Concert Band.

CONCERT BAND

This group has brought many fine musical pieces to our school. They practice hard and accomplish much.
